DEVELOPMENT *Department.*

Sir,

With reference to the prescriptions of the working plan for the Mangalore South Division, one of the Ranges in that division namely the Beltangadi Range was abolished and the staff of one Ranger, one Range clerk and one Range peon was also abolished under G.O.No.1537 Ms., dated 29th November 1932 and 675 Development dated 6th June 1933. A greater portion of the area of the range was transferred to the Mangalore Range of the Mangalore North Division and with a view to approximately equalising the areas of the ranges in the Mangalore South Division a rearrangement of the ranges

in the division has been made. Consequently the boundaries of the North and South Mangalore Divisions have been altered.

2. Revised draft notifications, with sketches, showing the boundaries of the two divisions are submitted to Government for approval and publication in the Fort St. George Gazette.

3. The delay is due to the draft notification having had to be returned to the Conservator for rectifying certain mistakes.

for Chief Conservator.
